To,

The Resident
in Mysore.

Sir,

Adverting to your Office letter No. 826/163 dt 3d July 1885, I have the honor to request that you will be so good as to obtain the sanction of the Madras Government to the Mysore Government conferring upon Mr. J. Sansman, 1st class Apothecary, the local rank of Honorary Surgeon, in consideration of his long service in the Province and of the popular and efficient manner in which he always discharged the duties of his profession.

It is not intended that this local rank should be recognized beyond the limits of the Province, and he distinctly understands that it will not entitle him to a higher pension, such as that specified in para 2 of your office letter No. 1053/168 d 9th August 1884. Mr. Sandman now pays contribution only on his pay proper as Apothecary 1st class (Rs 200) and not on the additional allowance he draws from the Myore State. (Vide statement forwarded with my letter No 10 of 4th May 85).

I have not been able to ascertain what Medical diplomas

are required by the Medical Act of 1858, but Mr. Sansman is reputed to be in possession of diplomas qualifying him for the position of an Apothecary. As, however, Mr. Sansman is not recommended for promotion as Honorary Surgeon in the British Service under para 282 of the Madras Medical Regulations, and as his service extends over 28 years and as he has attainments and gentlemanly character fitting him for the higher social position of Honorary Surgeon, I beg that H.E. the Governor in Council may be moved to accord his sanction to the proposed arrangement.

I have the honor
Sir
Your most obedient
humble servant
